ondent to furnish local news.

We have decided to send out the first REGISTER supplement, containing the opening apters of "Vermont Illustrated", with the sue of the paper for July 2, having secured side e desired additional pictures during our sent visit to New York

### TRUSTS AND THE CURRENCY.

We would call the especial attention of our readers to the article on Trusts in mother column, from the Burlington Daily News. It would appear to be in he main a fair statement of the condiions, and certainly, if half it announces

The decision on the anti-trust law just

a majority opinion the court decides that the agreement of the trans-Missouri Freight association to maintain rates within its territory was a violation of the anti-trust law of 1800, prohibiting

It is evident from this extract that the opinion of the supreme court in this case goes to the very root of the trust evil, and the decision can not fail to have widespread and wholesome effects. —[Burlington Free Press.

the senate finance committee, of money liberally for their support. He which our venerable Senator Morrill is then presented the following resolution chairman, have already begun considera- and moved its adoption: tion of that measure in an informal way, and if advices form the national capital are correct, it will hardly be recognized able by its sponsors when it is reported by the finance committee to the senate

Middleburg

as a whole.

According to the present programme the tariff bill will be passed by the house April 1, one week from next Thursday, but it is now believed that the measure will lose its momentum as soon as it will lose its momentum as soon as it strikes the higher branch of congress. Senators Aldrich of Rhode Island and Allison of Iowa are quoted as saying that the bill would have to be thoroughly revised in the senate, and they undoubt-edly voice the sentiments of other repub-lear members of the france committee.

the senate. The belief is now expressed that fully two months will be consumed before the final vote is reached on the bill in the senate, and in smuch as the house plainly intends to leave for the we shall endeavor to make the paper more senate the work of making desirable changes in the measure, it is difficult to and more acceptable to its many readers of see how the 700 odd different items could be considered carefully in less time.

The ways and means committee of the house have spent months in the prepara-tion of the measure and leading congressmen outside of the committee have also been freely consulted. The leading moving into the Mills house on So. Main republican members of that body are street. therefore fairly familiar with the pro-visions of the tariff bill, but so far as the senate is concerned it is practically an entirely new measure. The country would like to have the bill passed as soon as possible, but it is much better that time should be taken to the serate to thoroughly revise the work of the house on the measure than that the country should be afflicted with another defective tariff law on top of the Wilson-Gorman monstrosity.—[Burlington Free

### THE ADJOURNED TOWN MEETING.

The adjourned town meeting to consider the refunding of the town debt and the free library proposition was held at the town half Saturday forenoon. The ne copy of the Morgan Register, a \$) book. In every town in the State where we have short. It was decided to refund the debt at 4 per cent and not to have a free Hbrary

Town Clerk M. A. Brooks called the meeting to order at 10 o'clock. Mr. Wilds, the moderator, being absent, George Hammond was selected to pre-

Frank A. Bond reported for the comnitree, consisting of himself, B. S. Beck-with and C. E. Pinney, appointed at the annual fown meeting to prepare a refund-ing plan. Mr. Bond said the statement made at the annual meeting to the effect that only \$3,000 of the town orders held in town went into the list of the owners in town went into the list of the owners in town went into the list of the owners was based on misinformation; as a matter of fact nearly the whole of them were listed and taxed. Mr. Bond then sub a member of the college class of 1885, was in town over Sunday. He is a member of the college class of 1885, was in town over Sunday. tions, and certainly, if half it announces mitted the two resolutions following, as fact is true, this whole system of adding that the committee were not certrusts cannot be too quickly exterminat-

selves:

Remoted, That the town of Middlebury issue The decision on the anti-trust law just made by the United States supreme court, the substance of which is elsewhere given, makes an excellent start in the direction of abolishing trusts, of whatever sort, and we believe the people can be depended on to finish the war. The closing sentence of the Daily News' article we can endorse, that "it is not going to make much difference, after a while, whether we have gold, silver or paper money, if it is all going to benefit a business oligarchy." But the other statement, that the currency question is about sertled, is utterly untrue. There hasn't been the slightest thing done yet in the settlement of the currency questons.

\*\*Resolved, That the town of Middlebury issue its promissory notes under date of April 1. [82, 101 space of the National Bank of Middlebury on or before ten years from date, with interest at the rate of 4 per cent annually, payable sent annually at said National Bank upon the first days of April a proceeds of their said the 10wn orders now outstanding in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the new town hall and in the sum of \$11,200 issued for the construction of the sum of \$11,200 issued for the construction of the sum of \$11,200 issued for the construction of the sum of \$11,200 issued for the const

hasn't been the slightest thing done yet in the settlement of the currency question, except an increased and very rapidly increasing perception on the part of the great majority of the people, that a contraction of currency, such as necessarily follows a gold standard, is a death-blow to national prosperity, and especially unjust toward the agricultural and other producing classes.

Anti-Trust Law Sustained.

Anti-Trust Law Sustained.

The supreme court of United States has just rendered a decision which incidentally upholds the anti-trust law. By a majority opinion the court decides that the surcement of the trans-Missouri is the name adoption of the surcement of the trans-Missouri is the name of the anoption of the surcement of the trans-Missouri is the name of the majority opinion the court decides that the surcement of the trans-Missouri

A. J. Piper moved the adoption of the first resolution and F. H. Button made the same motion regarding the second. J. The opinion, after referring to the readjustment of industrial life following the adoption of labor-saving machinery, proceeds as follows:

"It is whether the second resolution were adopted the Starr fund of \$5000 be reserved to whether the second resolution were adopted the Starr fund of \$5000 be reserved to whether the second resolution were adopted the Starr fund of \$5000 be reserved to whether the second resolution were adopted the Starr fund of \$5000 be reserved to whether the second resolution could be sold at a premium, and he seconded Mr. Button's motion. Mr. Beckwith suggested that if the second resolution could be sold at a premium, and he seconded Mr. Button's motion. Mr. Beckwith suggested that if the second resolution could be sold at a premium, and he seconded Mr. Button's motion. Mr. Beckwith suggested that if the second resolution were adopted the second resolution were adopted the second resolution where second resolution were adopted the second resolution resolution restablished resolution resolution resolution resolution resolution H. Stewart sald he understood that bonds

the adoption of labor-saving machinery, proceeds as follows:

"If Is wholly different, however, when such schanges are effected by combinations of capital, whose purpose in combining is to control the production or manufacture of any particular article in the markest, and by such control dictate the price at which the article shall be sold, the effect being to drive out of business all the small dealers in the commodity and to render the public subject to the decision of the combination as to what price shall be paid for the article.

'In this light it is not maternal that the price of an article may be lowered. It is in the power of the combination to raise it, and the result in any event is unfortunate for the country by depriving it of the services of a large number of small but independent dealers who had spent their lives in it, and who sapported themselves and their families from the small profile realized therein."

It is evident from this extract that the It is evident from the ten-year bonds. After a further brief debate the second resolution was passed.

President Brainerd presented the free library matter in behalf of the committee intention of any passed.

The leave at rom the ten-year bonds to further the forther than the electher in a further brief debate the second resolution was pass setts there are but 15 towns without such institutions; in Rhode Island 95 per cent of the people have access to free libraries, while in New Hampshire the establishment of such libraries is made THE TARIFF IN THE SENATE.

Inspired undoubtedly by the announcement that the tariff bill would be forced through the house practically as reported by the ways and means committee,

of money liberally for their support. He

and moved its adoption:

Whereas, The Ladies' Library association of this town have generously offered the use of their books to the town provided the town will vote to establish and properly maintain a free public library.

Resolved, That the town of Middlebury establish a free public library in accordance with the provisions of chapter 48 of the Vermont Statules and appropriate the sum of \$400 for its ministenance; also that the town elect at this meeting a board of five trustees who shall have full power to manage such public library in accordance with section \$80 of library trustees be instructed to make application to the State board of library trustees be instructed to make application to the State board of library commissioners for the \$100 worth of books provided for in section \$77 of the Vermont Statutes.

A. J. Piper moved to lay the resolution on the table. Prof. Howard arose and DRESS TRIMMINGS. lican members of the finance committee began to speak, when Rev. D. A. Bonnar as well. as well.

Some of the members of this committee are said to be opposed to the woolen and lumber schedules as well as other important features of the tariff oil, so that it seems safe to expect that the crudities that crept into different schedules will be eliminated when it reaches the second of the table was called for and taken—the second of the table was called for and taken—the second of the table was called for and taken—the second of the table was called for and taken—the second of the second of the second of the table was not debatable. A ballot on the motion to lay on the table was not debatable. A ballot on the motion to lay on the table was not debatable. A ballot on the motion to lay on the table was not debatable. A ballot on the motion to lay on the table was not debatable. A ballot on the motion to lay on the table was not debatable. A ballot on the motion to lay on the table was not debatable. A ballot on the motion to lay the resolution on the table was called for and taken—the table was called for a resolution was laid on the table.
